Little Eagles	\$450	-	-	9/15/21 - 6/15/22

Annual Tuition

- We have two payment options. A pay in full tuition and a 6 month payment plan.
- The pay in full tuition with a \$50 discount will be billed on October 1st. Please contact Brandon@HauppaugeSwimming.com to enroll in this option.
- All on the team are by default enrolled in the 6 payments plan. The first payment will be on October 1st and continue on the first of each subsequent month. Swimmers are automatically enrolled and billed for the following month.
- We have a 5% sibling discount for the 2nd swimmer and 10% for the 3rd swimmer.
- The monthly tuition payment is non refundable.

Team Fees

- The following non refundable fees will be billed on 9/1/21.
- \$80 per swimmer USA Swimming insurance.
- \$100 per family registration fee.
- All credit card processing fees will be added to the invoices.

Meet Fees

- Meet fees are set by the meet host. We bill our families at the beginning of the following month and pay the host directly. Meet fees are typically \$5 - \$8 per event plus a \$10 swimmer fee. Swimmers typically swim 3 events per day.

Obligation To Pay Meet Fees

- Once our meet entry is submitted to the meet host and accepted we are bound by the rules of the information packet. One of the rules within the information packet is that meet fees must be paid before we attend the meet. Since we already paid for the meet fees based on commitment, you're obligated to pay the meet fees even if your swimmer doesn't attend.

Home Meet Volunteer Fee

- The \$200 volunteer fee which can be credited back to your account by working sessions (\$50 per session up to \$200 total) at our home meet. This fee will be put on hold until we can confirm we're able to host home meets this season. Sessions must be worked by an adult 18 years of age or older.

Non Home Meet Volunteer Requirements

- Some swim meets that we attend require us and other attending teams to volunteer. Failure to comply with these rules will result in our swimmers being removed from the meet. These volunteer requirements are separate from our home meets. They don't count towards our home meet volunteer fee.

Costs For Other Events

- Apparel: Cost varies based on products ordered.
- Relay Carnival: \$40 per swimmer for team shirt, cap, meet surcharge and entry fee.
- Picture Night: Photos can be purchased through the photographer.
- Holiday Party: \$25 per family.
- Team Travel Championship Meet: \$25 per swimmer travel fee which includes a shirt.
- Dinner Dance: \$55 per person. Child and adult.

Payment

- All fees are paid by credit card through your account on our website. A credit card must be entered before a swimmer can participate on the team. All accounts must be current in order to participate in practices and meets. \$20 late fees are automatically charged.

Payment Obligation

- It's the Club's policy that payment of the first tuition is your acknowledgement that you have received clearance from your swimmer's primary care physician that the swimmer is cleared to participate in all club practices and events, and you agree to be bound by all policies of the Hauppauge Athletic Association as published on this website or elsewhere, without limitation:
 1. Code of Conduct – Specifies what is expected of swimmers and their families.
 2. Photo Release – Gives the Club permission to use your child's photo.
 3. Obligation to Pay – Payment of the entire dues amount for the full season is due whether or not your child leaves mid-season; no refunds or pro-rated adjustments.
